

## **Animals**

**Life is a jungle, do you hear the sound  
like a heartbeat in your brain  
Nothing has changed since the beginning of time  
we are selfish and vain**

**We are good, we are bad**

**You can be a hunter or you can be the beast  
Take as much you can, or give away what you have  
Lies can make you a rich man, truth can make you poor  
Its so seductive taking the easy way**

**The illusion of a free will  
The fear to not be seen  
The power of loving someone  
It's so easy to be mean**

**Cause we are  
Animals, Animals.... that's what we are**

**When we are failing, we're crying out for god  
When we're lucky, we forget  
That every moment of our live is just a gift  
and like a child we throw it away**

**The illusion of a free will  
The fear to not be seen  
The power of loving someone  
It's so easy to be mean**

**Cause we are  
Animals, Animals.... that's what we are**

**Are we good? Are we bad?....**
