

**Ujuju Brimshead is Good 4 U**

**Listen - we'll move you  
Listen - we'll do you good**

**There's a crowd in the street  
People who you seldom meet  
And if you got the need  
Come on here and get the heat**

**Some of you cannot stand it  
Some of you may understand it  
Some of you may go frantic  
We're the cool suburb soft-handed**

**Physically weak and oyster-minded plumcake orchestra**

**huuh - huhuhuhu**

**Don't get fooled by the narcotic squad  
Tell them - yeah, tell them this:**

**Ujuju Brimshead is Good 4 U**

*(heavy chorus solo)*

**huuh - huhuhuhu**

**Don't get fooled by the narcotic squad  
Tell them - yeah, tell them this:**

**Ujuju Brimshead is Good 4 U**
