

Dawn's End

(text: Herbie+Helene, musik: Ujuju Brimshead)

**I don't know why or where or who I am
Between the sheets of water
running down the window pane
With streetcar wires humming in the dead of the rain
Early morning rain
Humming inside of
My brain**

**But I won't give up
And I won't give way
'cause I'm stuck on you**

**And I won't give up
And I won't give way
And I won't stop
I'll face the day
and I'm stuck on you**

**And I won't give up
And I won't give way
And I won't stop
I'll face the day
and it's**

**Dawn's end
Loving you is sniffing paint and glue
Within a world
Falling**
