

**In the Middle**

*vse1*

**Just in the middle of the night I wake up  
My thoughts are spinning circles round and round  
Just in the middle of the room I slow down  
I wish to leave the past, so safe and sound**

*bridge*

**I'm drifting away  
You want me to stay forever here**

*Ref*

**But when I walk home  
through the empty streets all alone  
And no-one's waiting there for me  
It's not a place I want to be  
Can't you see I had to go  
Time is running and I'm much too slow  
Always missing every train  
Standing in the rain**

*vse instrumental*

*bridge instrumental*

*vse2*

**Just in the middle of the street I daydream  
A bird with broken wings, it can not fly  
Just in the middle of the town I get lost  
I hold my breath while life is pulsing by**

*bridge*

**I'm drifting away**

*Ref*

**But when I walk home  
through the empty streets all alone  
And no-one's waiting there for me  
It's not a place I want to be  
Can't you see I had to go  
Time is running and I'm much too slow  
Always missing every train  
Standing in the rain**
